

Wonderwall:

SOLO:

Today is gonna be the day  
That they're gonna throw it back to you  
By now you should've somehow  
Realized what you gotta do  
I don't believe that anybody  
Feels the way I do, about you now

:

Backbeat, the word was on the street - OOH  
That the fire in your heart is out - OOH  
I'm sure you've heard it all before - OOH  
But you never really had a doubt - OOH  
I don't believe that anybody  
Feels the way I do about you now

And all the roads we have to walk are winding – are winding  
And all the lights that lead us there are blinding – are binding  
There are many things that I  
Would like to say to you but I don't know how

Because maybe, - Maybe  
you're gonna be the one that saves me – Saves Me  
And after all, you're my wonderwall

Today was gonna be the day - OOh  
But they'll never throw it back to you - OOH  
By now you should've somehow - OOH  
Realized what you're not to do - OOH  
I don't believe that anybody - OOH  
Feels the way I do, about you now

And all the roads that lead you there are winding – are winding  
And all the lights that light the way are blinding – are binding  
There are many things that I  
Would like to say to you but I don't know how

I said maybe, - Maybe maybe  
you're gonna be the one that saves me – saves me saves me  
And after all, you're my wonderwall

I said maybe, - Maybe maybe  
you're gonna be the one that saves me – saves me saves me  
And after all, you're my wonderwall
